Starting the day in the right way.

A healthy breakfast is very important for children - to help provide them with the energy they need to get the most out of their school day.

Our Before School Care program runs every school day and offers an exciting range of activities for children to start the school day in the best possible way, with a healthy breakfast and some light activities and relaxation time.

With a healthy breakfast!

For more information on our program visit us at www.campaustralia.com.au and use the ‘school finder’ on our homepage.

Alternatively, if you would like to see the program in action, feel free to pop into the program during operational hours and meet the onsite team.

We look forward to seeing you in the program soon.

The Camp Australia Team

We look forward to caring for your children
