Mobile Phone Policy 2025

There are many parents and guardians who for safety, security and/or emergency purposes wish to provide their children with mobile phones. This policy details the conditions under which mobile phones/smart watches are permitted to be brought to school by students at Mundijong Primary School.

Policy

1. Students are permitted to bring a mobile phone onto school premises for safety, security or emergency purposes.
2. Students are required to put their smart watches in 'aeroplane mode' so phone calls and messages cannot be sent or received during the school day.
3. Parents who wish their child to bring a mobile phone to school must complete a "User Agreement for Mobile Phones", which acknowledges acceptance of this Policy and Conditions of Use.

Conditions of Use

1. Mobiles phones **must be switched OFF during class, and recess & lunch breaks**, and are to remain in bags/teacher's desk. They may be **switched on after school**.
2. While at school, students are the responsibility of the school and **emergency contact with parents must be through the appropriate staff member or a member of administration**, not via a student mobile phone.
3. **Phones are not to be used by other students.**
4. The school does not accept responsibility for any loss, theft or damage to mobile phones.
5. Use contrary to this policy will result in confiscation of the phone.
