PRINCIPAL'S NEWS

Dear Parents, Caregivers and Students,

As we reach the end of a very busy Term 2, I would like to acknowledge the incredible effort of our students, staff and families. It has been a term rich in learning, growth and opportunity across the school. It has also been particularly busy, with almost all our students participating in excursions, and our Lightning Carnival providing a wonderful highlight filled with energy and school spirit.

Parent Meetings

Thank you to all the parents and carers who were able to schedule a meeting with their child's teacher yesterday. Throughout the day we facilitated almost 180 parent meetings. This was a great opportunity to catch up with teachers to discuss your child's strengths, areas for development and clarify their reports. If you were unable to attend and would like to schedule a meeting, please contact your child's teacher.

Winter Lightning Carnival

What a fantastic effort from our senior students at Friday's Interschool Lightning Carnival! They represented our school with pride, showing great determination, teamwork and sportsmanship across the day. We are thrilled with our AFL team's first-place result and our netball team's strong runner-up finish. Our soccer team also displayed wonderful resilience, continuing to encourage one another and never giving up.

A big thank you to parents Richard and Mark for coaching support, and to ex-students Scarlet, Nyah and Olivia for refereeing netball. It was a lively and enjoyable day that truly showcased our school spirit.

On Friday 28 May, Rooms 4 and 5 enjoyed an excursion to Scitech. During their visit, they explored the general exhibits, as well as attending sessions in the Planetarium and the Science Theatre. It was a fantastic opportunity for students to experience hands-on learning and bring their classroom studies to life.

Rooms 2 and 8 visited Scitech today, while Rooms 3, 6 and 9 will be heading there tomorrow. These excursions have provided an exciting and engaging learning experience for our students.

Next week we are celebrating our indigenous culture with NAIDOC Week.

What to pack for Crunch&Sip®

Water

A clean bottle filled with plain water.

Grab and go

A whole carrot, celery stick or apple is perfect for older kids - no chopping required!

Finger foods

Pack sugar snap peas, cherry tomatoes, corn kernels, grapes or strawberries in a container.

Cooked

Pack steamed, mashed or roasted veggies or fruit if your child prefers different tastes and textures.

Dried fruit

Dried fruit like sultanas or apricots are allowed for Crunch&Sip® but should be limited.

Not allowed

All other foods and **drinks are not permitted** for Crunch&Sip® including:

- other drinks (e.g. fruit or vegetable juices)
- fruit or vegetable products (e.g. fruit leather, popcorn, fruit or vegetable breads)
- fruit canned in syrup or jelly or with artificial sweeteners
- flavoured or marinated canned and bottled vegetables
- foods other than fruit or vegetables (e.g. cheese cubes, yoghurt, muesli bar, crackers)

Tips!

Be prepared

Make sure the veggies and fruit you pack for Crunch&Sip® are low mess and quick and easy to eat. Pre-chopped veggies are ideal and can be prepared ahead of time. To maintain freshness store in an airtight container in the fridge, cover with a wet paper towel for added moisture.

Bite sized pieces for little ones

Chop small whole fruit and vegetables like grapes and cherry tomatoes into halves or quarters for younger children to reduce the choking hazard.

Hygiene

Wash vegetables and fruit. Make sure your child's water bottle is cleaned regularly and clearly marked with their name.

Crunch the rainbow

Choosing different coloured vegetables and fruits keeps it interesting and is good for health! Go red with tomatoes or strawberries, green with snow peas or pears, orange with capsicum or a mandarin, purple with purple carrots or grapes, and white with cauliflower or bananas.

Take the veg pledge

Research shows that while most kids eat enough fruit, only 6% consume enough vegetables. Sending vegetables for Crunch&Sip® is a great way to develop healthy habits and boost these numbers!

Chopped

Fill a container with chopped vegetables or fruit such as cucumber or capsicum sticks, broccoli bits or chopped melon. Don't forget a fork for juicy vegetables and fruit!

Canned

Fresh is the preferred choice but canned veggies, or fruit canned in juice or water is OK sometimes. Don't forget to pack a spoon!
